

SERPENTINE & DISTRICTS GOLF CLUB

MEMBERSHIP FEES POLICY & DEFINITIONS

(as at 01/03/2017)

1. Membership Year.

The Membership Year of the club begins on the 1st April and ends on the 31st March the following year. Note: The Membership Year is different to the Financial Year of the Club. The Financial Year begins on the 1st October and ends on the 30th September the following year.

2. Membership Fees.

Membership Fees are due on the 1st April and must be paid in full by the 30th April or the member becomes unfinancial. An unfinancial member will have their Golf Link number made inactive & will no longer be able to play in competitions. Membership Fees for the coming year can be paid at any time.

3. Pro-Rata Membership Fees.

A pro-rata fee for membership is offered after the half-way point of the Membership Year. The calculation of the pro-rata membership fee is based simply on the proportion of the club Membership Year remaining in weekly terms until the 31st March. For instance, if you join with 15 weeks remaining then the pro-rata membership fee payable is 15/52 of the current annual fee (rounded up to nearest dollar).

4. Nomination Fee.

All new applications for Membership of the Club must be accompanied by a one-off non-refundable payment of the current Nomination Fee.

5. Affiliation Fee for Life Members.

Life members do not have to pay Membership Fees. However, any Life Member who wishes to have an official handicap and therefore be registered as active in Golf Link must pay an Affiliation Fee. This fee is an amount determined each year by the Management Committee and is comprised of the various fees payable by the club to Golf WA, Golf Australia, Clubs WA, DRGA, SWDLGA and MiClub. The current Affiliation Fee is \$50 per annum. This fee is due and payable at the same time and under the same conditions as normal Membership Fees.
